

## Part No: 6003W3PXX43B20X

### Product Description

- IP67 Combination D-SUB
- 3W3 [0000]

| General Data                           | Technical Data  | Material Data | Standards | Downloads |
|----------------------------------------|-----------------|---------------|-----------|-----------|
| Dielectric with standing voltage power | 1000 V          |               |           |           |
| min. working temperature               | -25° C          |               |           |           |
| max. working temperature               | +105° C         |               |           |           |
| Power contact cross section            | AWG 10- 12      |               |           |           |
| Working voltage power                  | 250 V           |               |           |           |
| Quality class                          | Quality class 3 |               |           |           |
| Mating cycles                          | 50              |               |           |           |
| IP rating                              | IP67            |               |           |           |
| Current rating power                   | 30 A            |               |           |           |
| Insertion force                        | 21 N            |               |           |           |
| Extraction force                       | 21 N            |               |           |           |
| Power resistance standard              | 2,7 mOhm        |               |           |           |
