TE Internal #: K2001833

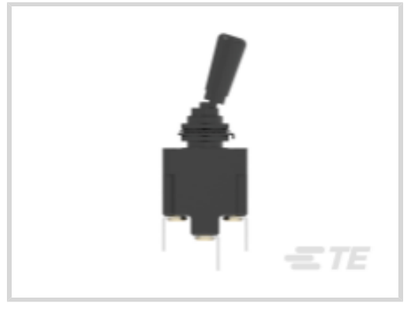

Single Pole - Double Throw Configuration (Pole-Throw), On On, 2 Position, Panel Mount, Vertical, Process Sealed, Lever, Toggle Switch, Copper Alloy

View on TE.com >

Switches > Toggle Switches

Configuration (Pole-Throw): **Single Pole - Double Throw**

Operating Function: **On On**

Number of Positions: **2**

Product Mount Type: **Panel Mount**

Product Orientation: **Vertical**

Features

Product Type Features

Sealed Device	Yes
Switch Connection Type	Quick Connect Terminal
Toggle Style	Lever
Switch Type	Toggle Switch

Configuration Features

Configuration (Pole-Throw)	Single Pole - Double Throw
Operating Function	On On
Number of Positions	2

Body Features

Case Color	Green
Product Orientation	Vertical
Bushing Style	Threaded
Bushing Thread Size	M12 x .75

Contact Features

Contact Base Material	Copper Alloy
Switch Contact Plating Material	Silver Tin Oxide

Mechanical Attachment

Product Mount Type	Panel Mount

Housing Features

Process Sealed	Yes

Operation/Application

Keyway Toggle Actuation Position	1-2
Opposite Keyway Toggle Position	2-3
Center Toggle Position	None

Industry Standards

IP Rating	IP6K7

Product Compliance

For compliance documentation, visit the product page on TE.com>

EU RoHS Directive 2011/65/EU	Not Yet Reviewed
EU ELV Directive 2000/53/EC	Not Yet Reviewed
China RoHS 2 Directive MIIT Order No 32, 2016	未针对中国 RoHS 符合性进行审核 Not reviewed for China RoHS compliance
EU REACH Regulation (EC) No. 1907/2006	Current ECHA Candidate List: FEB 2026 (253) Not Yet Reviewed
Halogen Content	Not Yet Reviewed for halogen content
Solder Process Capability	Not reviewed for solder process capability

Product Compliance Disclaimer

This information is provided based on reasonable inquiry of our suppliers and represents our current actual knowledge based on the information they provided. This information is subject to change. The part numbers that TE has identified as EU RoHS compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead, hexavalent chromium, mercury, PBB, PBDE, DBP, BBP, DEHP, DIBP, and 0.01% for cadmium, or qualify for an exemption to these limits as defined in the Annexes of Directive 2011/65/EU (RoHS2). Finished electrical and electronic equipment products will be CE marked as required by Directive 2011/65/EU. Components may not be CE marked.Additionally, the part numbers that TE has identified as EU ELV compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead, hexavalent chromium, and mercury, and 0.01% for cadmium, or qualify for an exemption to these limits as defined in the Annexes of Directive 2000/53/EC (ELV). Regarding the REACH Regulations, TE's information on SVHC in articles for this part number is still based on the European Chemical Agency (ECHA) 'Guidance on requirements for substances in articles'(Version: 2, April 2011), applying the 0.1% weight on weight concentration threshold at the finished product level. TE is aware of the European Court of Justice ruling of September 10th, 2015 also known as O5A (Once An Article Always An Article) stating that, in case of 'complex object', the threshold for a SVHC must be applied to both the

product as a whole and simultaneously to each of the articles forming part of its composition. TE has evaluated this ruling based on the new ECHA "Guidance on requirements for substances in articles" (June 2017, version 4.0) and will be updating its statements accordingly.
